Parking: The parking at Meadowdale Community Clubhouse is very limited and no street parking is permitted; however, there is more parking available at the Meadowdale Playfields, which you pass on your way to the Clubhouse. There is a shortcut pathway from the Playfield parking to 68th Avenue W and the Clubhouse. Look for the TKD arrow signs pointing out the pathway.

Breaking Divisions: There are no walls available for a board holder. We will have a board holder; however, it will be useable on the floor only, or if the number of boards is not too great, the board holder can be held by people. Otherwise, plan on hand held or suspended breaking.
